**God is Our
Fortress.**

“BLESSED be the Lord my Rock,
Who trains my hands for war,
and my fingers for battle.”
~David~

Week 1:

Psalm 91:11

Week 2:

Psalm 144:1

Week 3:

Psalm 144:2

Week 4:

Proverbs 4:11

God
Time

2012

Day 1 -- FIND IT. Parents, help your child use the table of contents in the front of their Bible to find the book. Explain that the first number is the chapter and the second number is the verse. **FIND IT** and read the verse(s) aloud.

Day 2 -- Mark it. One great way to learn a verse is to **MARK IT** in your Bible. Parents, have your child use a highlighter to mark things that stand out to them as you read together. Give them ideas of what to underline. For example, circle action words or underline their favorite part. Then, talk about it together.

Day 3 -- WRITE IT or DRAW IT. Take a look at the verse again together. Ask your child to think about what this verse is asking them to do. Now, pull out a piece of paper and have them either **WRITE IT** in their own words, or **DRAW** a picture of what they need to remember.

Day 4 -- PRAY IT. Explain to your child that it's not enough just to read the Bible or even to memorize it. God wants us to put His Word into practice and actually live it out! Encourage them to **PRAY IT** and ask God what He wants them to do with what they are learning from God's Word.

Parents, this tool is designed to help your child spend time with God.
